The original purchaser of Supacore flooring in New Zealand is offered the following warranty, effective for purchases made after 1st April 2019.

The following Allied Flooring Hybrid Floors Residential Warranties are provided in respect to its hybrid products. The benefits given by these warranties are in addition to other rights and remedies of the consumer under a law in relation to the goods. The Allied Flooring Hybrid Floors Residential Warranties are subject to and qualified by the “General Warranty Conditions” and “Homeowner Obligations” set out on the following pages. You can establish the specific warranty period applicable to a particular hybrid floor (which applies from the date of the original installation) (relevant period) by checking the labels on the back of the samples, the Allied Flooring hybrid flooring product brochure relevant to the specific product, or by asking your retailer.

Abrasion/Wear Resistance Warranty

Allied Flooring warrants that under normal household conditions the wear layer will not wear through to the design layer surface of your Allied Flooring hybrid floor for the relevant period. Abrasive wear means actual wearing through of the floor surface to show a visual change in the floor’s appearance and does not include other changes in appearance: e.g. scratches, chips, indentations, small gaps due to

seasonal movements, gloss variation between planks, reductions in gloss level etc.

Stain and Spill Resistance Warranty

Allied Flooring warrants that your Allied Flooring hybrid floor is resistant to normal household stains on the floor surface and to damage from normal household spills for the relevant period. This ensures your floor will be able to resist most potentially permanent stains.

Fade Resistance Warranty

Allied Flooring warrants that your Allied Flooring hybrid floor will not have a significantly noticeable colour change due to fading resulting from exposure to indirect sunlight or normal artificial light (with exception of natural ageing) for the relevant period.

Structural Warranty

Allied Flooring warrants that your Allied Flooring hybrid floor in its original manufactured condition will not delaminate for the relevant period. This does not include any separation of any pre-adhered underlay from the floor.

Waterproof Warranty

Allied Flooring warrants that the surface of your Allied Flooring hybrid floor is 100% waterproof and resistant to damage from mopping or normal household spills for the relevant period. The floor will not, upon reasonable exposure to water, swell, buckle or undergo any significant diminution of its structural integrity. This warranty does not cover flooding, leaking pipes, household mechanical failures, appliance leaks or similar or damage resulting from mould or mildew growth.

Free from Manufacturing Defects Warranty

Allied Flooring warrants your Allied Flooring hybrid floor in its original manufactured condition shall be free from manufacturing defects for the relevant period, including defects which after time cause an abnormal change in the floor such as early wear.
